A Curved Face Sign System

Simple. Elegant. Functional.
Arcadia offers functional design,
from a single module to a
comprehensive system.

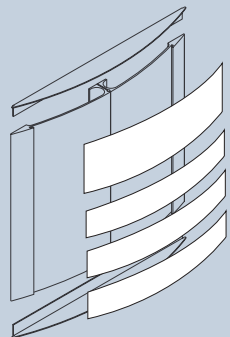

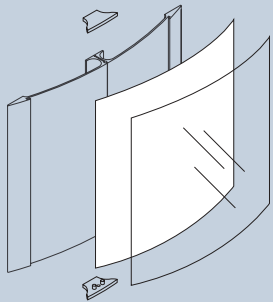

Series 1000 Arcadia™ Vertical

Arcadia Series 1000 features an extruded aluminum base, designed to hold a variety of modular insert components, including printed paper, injected molded message strips, ADA plaques, and more...

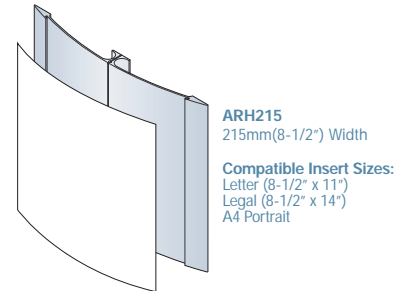

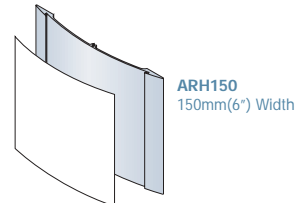

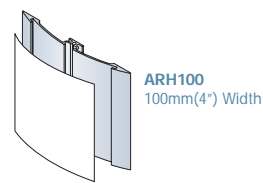

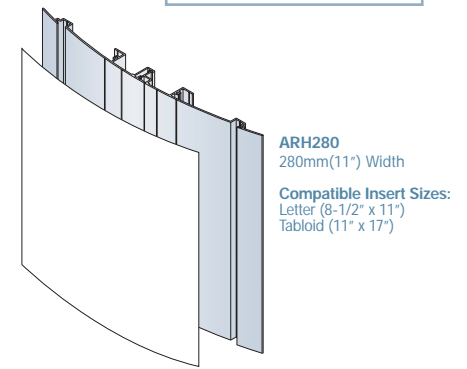

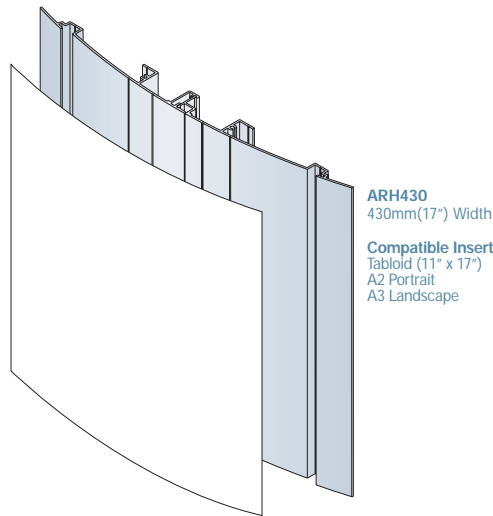

Arcadia's unique, patent pending Contour edge profiles and decorative design options truly distinguish this system, offering a well-designed, yet clean and simple curved-face signage solution.

Features & Benefits:

- Standard and Custom Sizes Available
- Broad Range of Colors and Finishes
- Extruded Aluminum Base
- ADA Compatible
- User Lettering Options:
 - Compatible with APCO's SignWord Pro Software and Supplies, as well as Numerous, Market-Available Paper sizes
- Concealed Fasteners
- Two Options for Top/Bottom Caps:
 - 1) Molded Plastic Caps
 - 2) Full Aluminum Closures

Standard Widths displayed below
Standard Heights are Variable

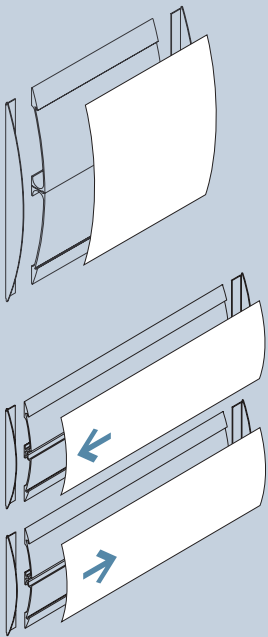

Series 2000
Arcadia™ Horizontal

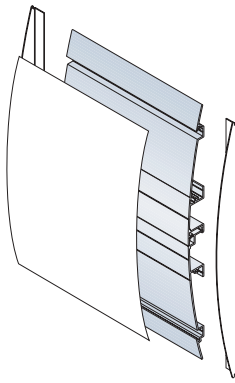

Perhaps the primary benefit of the Arcadia system is its design flexibility. Simply rotating the components in Series 1000 yields the entirely different look and feel of Series 2000. With Contour edge profiles at top and bottom, a new range of creative solutions is made possible.

Ideal for:

- Personnel Signs
- Room and Suite Identification
- Ceiling and Wall Projecting Signs
- Directional and Directory Modules

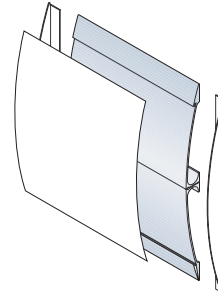

Insert Removal
Front Loaded Modular Insert Facilitates Easy Removal with Suction Cup Tool

Update Arcadia Inserts in 3 Easy Steps

With SignWord Pro Software, enter your message and symbols using pre-established formats or your own custom layouts.

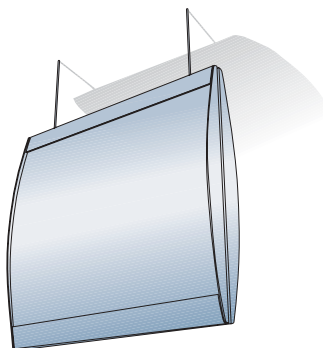

Print the image on a special paper that is perforated to fit the sign holder.

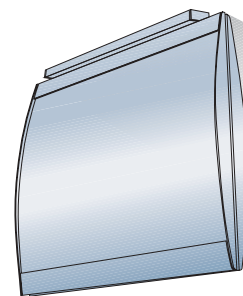

Punch out the sign insert, place it in the holder, flex in the clear plastic lens and PRESTO – in less than 60 seconds you have a completed sign!

Attachment Methods

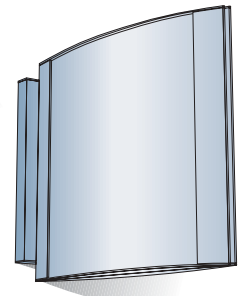

From walls and ceilings to desk tops and office panel systems, Arcadia offers a range of quality, well-engineered attachment solutions for every environment, every situation.
